Officially Licensed Coca-Cola

Features officially licensed Coca-Cola's classic red and white colours, the distinctive Coca-Cola logo, and vintage design.

Double Glazed Glass Door

The double glazed glass door not only improves insulation but also enhances energy efficiency, ensuring drinks stay cool without compromising performance.

Mechanical Temperature Control

This fridge comes with a temperature control dial inside the fridge.

Metal Coated Wire Shelves

The chrome coating on this rack provides a combination of durability, aesthetics, and functionality.

Designed For Indoor Use

Designed to operate indoors rather than in outdoor or unprotected areas.

3 Year Warranty

Three-year product warranty covering labour and parts ensures peace of mind
