Classic 50' Retro Styling

Design aesthetics inspired by the 1950s, characterized by a nostalgic and vintage look that evokes the style and charm.

Food Safe

A food-safe fridge or freezer is designed to ensure that food is stored at the correct temperatures to prevent spoilage and contamination, while also adhering to safety standards for materials and operation.

Mechanical Temperature Control

This fridge comes with a temperature control dial inside the fridge.

Metal Coated Wire Shelves

The chrome coating on these racks provides a combination of durability, aesthetics, and functionality.

Designed For Indoor Use

Designed to operate indoors rather than in outdoor or unprotected areas.

3 Year Warranty

Three-year product warranty covering labour and parts ensures peace of mind
