Classic 50' Retro Styling

Design aesthetics inspired by the 1950s, characterized by a nostalgic and vintage look that evokes the style and charm.

Mechanical Temperature Control

This fridge comes with a temperature control dial inside the fridge.

Large Door Storage Shelf

Practical feature designed to maximize storage space and improve organization within the fridge.

Crisper Drawer

Crisper drawers have a different level of humidity from the rest of the refrigerator, optimizing freshness in fruits and vegetables.

Internal LED Light

LED light enhances visibility inside the fridge.

3 Year Warranty

Three-year product warranty covering labour and parts ensures peace of mind
